

# Erin Brockovich Joins Powerhouse Podcast Host Shawn Ryan to Discuss the Truth About Data Centers in Upcoming Interview

*Erin Brockovich and Podcast Host Shawn Ryan Become a Voice for Communities Concerned with Data Centers in New Episode Dropping this Week.*

NASHVILLE, TN, UNITED STATES, July 13, 2026 /EINPresswire.com/ -- Two of America's leading advocates for the underdog are joining forces for a powerful conversation regarding the hidden impact of [data centers](#). Shawn Ryan, host of the globally top-rated [Shawn Ryan Show](#) and former Navy SEAL, teams up with renowned advocate [Erin Brockovich](#) to discuss how these facilities affect the environment and reveal their true purpose. With Shawn Hosting one of the top podcasts worldwide--recently surpassing 2 Billion views --this was without a doubt the place to start this vital conversation.

"Tennessee has become my home and is where I've chosen to raise my family," said Shawn Ryan. "These data centers could jeopardize the future of this state and others, so I need to do everything in my power to ensure we preserve this great place."

Both Ryan and Brockovich have made it their personal mission to expose truths and fight for the public interest. This upcoming interview arrives as awareness grows across the

country—including in Nashville, where musicians and celebrities are banding together to halt specific data center projects.

During this deep dive, Ryan and Brockovich explore the reality behind these facilities, the damage already done, and the long-term consequences for the future. They argue that the American people have been misled about the nature of data centers and will offer solutions on how these developments can be challenged and stopped.

This new episode will drop this week on Tuesday July 14th on YouTube and other podcast platforms .
