

Patrick Lange, Business Modification Group Successfully Sells New Jersey HVAC Company

Patrick Lange of Business Modification Group successfully sold a NJ HVAC company, connecting a quality business with a buyer ready to build on its success

MADISON, FL, UNITED STATES, July 13, 2026 /EINPresswire.com/ -- [Patrick Lange](#), HVAC industry business broker with [Business Modification Group](#), is pleased to announce the successful sale of a well-established heating and air conditioning company serving Bergen County, New Jersey.

The transaction marks another successful ownership transition in the HVAC industry, connecting a quality business with a buyer prepared to build upon its strong reputation and loyal customer base.

"Every successful closing represents years of hard work by the business owner," said Patrick Lange. "It's always rewarding to help an entrepreneur transition their life's work to a buyer who recognizes the value they've created and is committed to continuing that legacy. Congratulations to both the seller and the new owner on this exciting new chapter."

“

Every successful closing represents years of hard work by the business owner”

Patrick Lange

The HVAC industry continues to attract strong buyer interest as recurring maintenance agreements, experienced technicians, and established customer relationships make well-managed companies highly desirable acquisition opportunities.

Business owners considering selling their HVAC company are encouraged to begin planning well before they intend

to exit. Proper preparation can significantly increase company value while creating a smoother
