WINNIPEG, MANITOBA, CANADA, July 15, 2026 /EINPresswire.com/ -- ART SPOT Brings the Under \$100 Art Show to Downtown Winnipeg, Supporting the Revitalization of the City's Core Affordable art, local artists, and a celebration of community in the heart of the city.

ART SPOT is excited to bring the Under \$100 Art Show to Winnipeg for its inaugural event, taking place August 13–16, 2026, at Portage Place Mall. Featuring nearly 70 local artists, the Under \$100 Art Show is one of Canada's largest accessible art events, making original artwork available to everyone. Visitors can shop paintings, prints, photography, ceramics, jewelry, textiles, sculpture, and handmade accessories—all priced at under \$100.

More than just an art show, this event is about investing in Winnipeg's creative community and supporting the continued revitalization of the downtown core.

"We believe vibrant downtowns begin with people," says ART SPOT founder Emma Justine McCaul. "Arts and culture have always played an important role in bringing communities together. If we want to see positive change in downtown Winnipeg, we need people to come downtown, support local businesses, and support local artists. That's how real change begins."

Hosting the event at Portage Place Mall is a deliberate choice that reflects ART SPOT's commitment to creating welcoming, community-focused experiences in spaces that have the potential to become thriving gathering places once again. The venue offers convenient underground parking, making it easy for visitors to spend the day exploring the show and supporting the surrounding downtown businesses.
