BOCA RATON, FL, UNITED STATES, July 13, 2026 /EINPresswire.com/ -- Meteora Capital, LLC

“

The SPAC market has become far more selective, and that discipline is healthy. Sponsor quality and the fit between the target and the structure matter more today than they have in years.”

Vik Mittal, CFA, Founder, CEO and Chief Investment Officer, Meteora Capital

("Meteora") today announced that Founder, CEO and Chief Investment Officer Vik Mittal, CFA, and Senior Investment Associate Henry Rogano will speak at SPAC Deal Meets, an invite-only, deal-focused gathering of SPAC sponsors, investors, capital-markets advisors, and founders, at Yotel in New York on July 14, 2026.

Henry Rogano will join the panel "PIPE Investment in the Current Environment: Pricing, Terms and Confidence" at 12:00 p.m. ET, addressing how PIPE structures are being priced and negotiated in a more selective capital-markets environment. Vik Mittal will participate in the fireside chat "Private Targets & SPAC Fit: What Makes a Compelling Merger Candidate" at 12:45 p.m. ET, discussing what

distinguishes durable de-SPAC candidates from the broader universe.
