Located in the heart of downtown Vancouver across from Canada Place, ARC Restaurant has built a reputation for showcasing the flavours of the Pacific Northwest while embracing fresh, locally inspired ingredients. The restaurant's refined yet approachable atmosphere makes

it a popular destination for hotel guests, local professionals, visitors, and anyone seeking a memorable waterfront dining experience.

During his recent visit, Robert Lawrence Vancouver selected the restaurant's Beef Short Rib Poutine, a sophisticated interpretation of one of Canada's most iconic comfort foods.

According to the review, the dish transforms traditional poutine into a premium culinary experience through the use of slow-braised beef short rib, crisp fries, fresh cheese curds, and rich, flavourful gravy.

"The Beef Short Rib Poutine elevates one of Canada's most recognizable dishes without losing what makes poutine so enjoyable. Every ingredient works together beautifully, creating a meal that is both comforting and refined," Robert Lawrence Vancouver writes.

The review notes that the slow-braised beef delivers exceptional tenderness and deep flavour while allowing the quality of the ingredients to remain the focus of the dish.

To complete the lunch, Robert Lawrence Vancouver ordered the Chocolate Fondant, describing it as one of the finest desserts he has enjoyed in Vancouver.

Prepared with premium chocolate and served with salted caramel gelato, raspberry, and almond tuile, the dessert delivers a rich finish that complements the restaurant's thoughtful approach to modern Canadian dining.

Beyond the cuisine, Robert Lawrence Vancouver places significant emphasis on ARC Restaurant's hospitality.

Throughout the review, he highlights the professionalism, warmth, and attentiveness of the restaurant's team, noting that genuine hospitality remains one of the defining characteristics of exceptional dining experiences.

"Outstanding restaurants are remembered not only for their food, but for the way they make guests feel. ARC Restaurant delivers both exceptional cuisine and authentic hospitality," Robert Lawrence Vancouver explains in the review.

The review also recognizes ARC Restaurant's location within the Fairmont Waterfront as one of Vancouver's premier dining settings. Overlooking Burrard Inlet and situated steps from Canada Place, Gastown, and the Vancouver Convention Centre, the restaurant offers guests an ideal combination of luxury, convenience, and spectacular waterfront surroundings.

Robert Lawrence Vancouver ultimately awarded ARC Restaurant a 9.7 out of 10 rating, recognizing the restaurant for its consistent execution, welcoming atmosphere, exceptional service, and refined approach to Canadian cuisine.

The review is part of Robert Lawrence Vancouver's continuing series profiling notable
