

Park Hyatt Maldives Hadahaa Named Among the Maldives' Best House Reefs at T+L Luxury Awards Asia Pacific 2026

Celebrating the resort's vibrant 360° House Reef, home to thriving coral gardens, abundant marine life, and unforgettable adventures just steps from shore.

HUVADHU ATOLL, MALDIVES, July 14, 2026 /EINPresswire.com/ -- Park Hyatt Maldives Hadahaa is proud to announce its recognition as the Best House Reef in the Travel + Leisure Luxury Awards Asia Pacific 2026, a distinguished accolade voted by discerning travelers and readers across the region. This

recognition celebrates the resort's extraordinary [house reef](#), renowned for its rich marine biodiversity, thriving coral formations, and seamless access from both the shoreline and overwater villas. Nestled within the pristine waters of North Huvadhu Atoll, [Park Hyatt Maldives Hadahaa](#) offers some of the Maldives' most rewarding snorkeling and diving experiences just moments from the beach.

“

This award is a testament to the extraordinary natural beauty that surrounds our island and the dedication of our team to preserving and protecting this remarkable marine ecosystem.”

Anshul Sharma, General Manager of Park Hyatt Maldives Hadahaa

Park Hyatt Maldives Hadahaa with 360° House Reef

At the heart of this achievement lies the 360° House Reef, a living ring of coral that surrounds Hadahaa Island in every direction. Enter the water directly from the resort's two dedicated piers and discover dramatic drop-offs, colorful coral gardens, and an ever-changing underwater landscape teeming with life. Schools of tropical fish, graceful sea turtles, reef sharks, and occasional pelagic visitors make each immersion unique. With effortless entry points around the island, every encounter invites a new

perspective on the ocean's natural wonders.

House Reef is a true gem: a vibrant underwater ecosystem, teeming with life, and a must-visit for anyone seeking authentic encounters with the Indian Ocean's rich marine life.

Home to a thriving underwater ecosystem, the reef is frequented by sea turtles, reef sharks, rays, and countless tropical fish species, making it one of the Maldives' most sought-after marine destinations. The award further reinforces the resort's reputation as a sanctuary for nature lovers, snorkelers, and divers seeking authentic encounters with the Indian Ocean's rich marine life.

"We are deeply honored to be recognized among the Maldives' Best House Reefs by Travel + Leisure Asia Pacific," said Anshul Sharma, General Manager of Park Hyatt Maldives Hadahaa. "This award is a testament to the extraordinary natural beauty that surrounds our island and the dedication of our team to preserving and protecting this remarkable marine ecosystem. We are grateful to our guests and supporters whose votes made this achievement possible. This recognition inspires us to continue creating meaningful experiences that connect our guests with one of the Maldives' most spectacular underwater worlds."

The Travel + Leisure Luxury Awards Asia Pacific are among the region's most respected travel accolades, celebrating excellence across hospitality, wellness, dining, and luxury travel experiences. Determined through reader votes, the awards honor properties that consistently deliver exceptional guest experiences and set benchmarks for the industry.

Beyond its award-winning reef, Park Hyatt Maldives Hadahaa offers an intimate luxury retreat

House Reef - Park Hyatt Maldives Hadahaa - Home to a thriving underwater ecosystem

Park Hyatt Maldives Hadahaa offers some of the Maldives' most rewarding snorkeling and diving experiences just moments from the beach and villa

with just 51 villas, distinctive culinary experiences, holistic wellness offerings, and a steadfast commitment to sustainability and marine conservation. The resort's secluded location and untouched natural surroundings create a rare sense of place, inviting guests to reconnect with nature while enjoying the understated luxury synonymous with the Park Hyatt brand.

As Park Hyatt Maldives Hadahaa celebrates this latest recognition, the resort remains committed to delivering transformative guest experiences while safeguarding the fragile marine ecosystems that make the Maldives one of the world's most treasured destinations.
