US Office - Albany, New York

The US office, along with the company’s existing registered presence in the United Kingdom and Australia, positions them as a genuinely global AEC outsourcing practice. The firm’s [BIM services for the US market](#) are accessible through its dedicated platform at teslabimservices.com.

“Nineteen years ago, we made quality our baseline. Completing 10,000 projects proves the enduring trust of our AEC partners. We are proud of our foundation and focused on the future.”
Ketan Poojara, Founder & Chief Executive Officer

〇〇〇〇〇〇〇 〇〇〇〇〇〇
 As the firm enters its 20th year, the firm’s strategic priorities center on deepening its technical capability in advanced BIM coordination and scan-to-BIM workflows, which are areas of increasing demand as AEC firms move toward data-rich, model-centric project delivery. The firm will also continue to invest in the talent infrastructure and QA systems that ensure the consistency of its output.
