

NYC Aesthetic Plastic Surgeon Named 2026 Castle Connolly Top Doctor® and Earns Super Doctors® Recognition

Recognized amongst New York's Super Doctors®, Dr. Ira Savetsky was also recently named a 2026 Top Doctor® by Castle Connolly.

NEW YORK CITY, NY, UNITED STATES, July 15, 2026 /EINPresswire.com/ -- Dr. Ira L. Savetsky, a top board-certified [plastic surgeon in New York City](#), was just named a Castle Connolly Top Doctor® for 2026, highlighting his reputation as an elite provider of aesthetic procedures in the NYC area. This distinction further compounds his recent recognition as one of New York's Super Doctors® and emphasizes his standing amongst today's leading aesthetic plastic surgeons.

Both peer-nominated awards aim to help simplify the selection process for patients and consumers by identifying the top healthcare providers in a geographical region within a given specialty. Nominees and recipients are chosen through an independent research process assessing clinical competence, patient outcomes, ethical care, and professional standing.

While Castle Connolly Top Doctors® are selected through a rigorous peer-review process drawing on nominations and evaluations from physicians nationwide, Super Doctors® are similarly identified by peers based on experience, leadership, accreditation, and fellowships. Together, both honors reflect Dr. Savetsky's recognition of advanced surgical skill and patient care from within the medical community.

Known for his outcomes achieved with popular offerings like a modern [facelift](#), [rhinoplasty](#), and blepharoplasty, Dr. Savetsky specializes in procedures for the face, nose, breasts, and body with a focus on authentic, natural-looking results. Outside of his private practice, Dr. Savetsky is deeply involved in the scientific advancement of the field and has authored more than 50 peer-

reviewed publications and textbook chapters throughout his career.
