NJ Law Firm The Law Offices of Peter N. Davis & Associates Secures \$1.6 Million Settlement for a Client Injured in a Shopping Center Trip-and-Fall Accident

LODI, NJ, UNITED STATES, July 16, 2026 /EINPresswire.com/ -- [The Law Offices of Peter N. Davis & Associates, LLC](#) is proud to announce the successful resolution of a complex premises liability case, resulting in a \$1.6 million settlement on behalf of an injured client. This significant recovery marks the conclusion of a four-year legal battle that began in 2021, highlighting the firm's steadfast dedication to protecting the rights of accident victims in New Jersey.

A recent \$1.6 Million recovery for a New Jersey trip-and-fall injury victim underscores the importance of pursuing proper compensation through legal channels following harms and losses due to another's negligence.

The case stemmed from an incident that occurred in 2021 at a local shopping center. The plaintiff was exiting the property when she encountered a hazardous, cracked surface on the pavement. The defect caused her to severely twist her right ankle, resulting in a hard fall where she landed directly on both knees. The injuries sustained in the fall required extensive medical attention and had a lasting impact on the client's quality of life.

Peter N. Davis, the founder of the firm, emphasized that case resolutions like this are born from a deep personal commitment to the client.
