Revive Design and Renovation specializes in transforming residential spaces through innovative design and expert craftsmanship, delivering high-quality remodeling projects that combine aesthetic vision with functional excellence.

"Our growth comes from a relentless focus on the client experience and a deep investment in our people. We have built a vertically integrated model with in-house design, custom cabinetry through Momentum Cabinetry, and plumbing and electrical services through Revive Mechanical Services, allowing us to maintain a level of quality control and efficiency that most remodelers simply cannot match," said Caballero. "We run the business on the Entrepreneurial Operating System, hire and develop A-players, and view the company as a vehicle for personal and professional growth. When our team grows, the business grows alongside it."

The recognition comes as Revive continues its strategic expansion beyond Tampa Bay following the opening of its second Florida location in Winter Park this year.

"The most exciting moment was opening our second location in [Orlando](#), which marked a major milestone in our growth and validated that the systems, brand and team we built in Tampa could successfully expand beyond our home market," said Justin Caballero, President of Revive Design and Renovation.
