

Dennis Monagle of Ash Bishop David Featured on the Entrepreneur Spotlight Show

SCOTTSDALE, AZ, UNITED STATES, July 16, 2026 /EINPresswire.com/ -- CAPT [Dennis Monagle](#), Founder and CEO of [Ash Bishop David](#), recently appeared on [the Entrepreneur Spotlight Show](#), hosted by entrepreneur and author Andy Jacob. During the interview, Monagle shared insights drawn from more than two decades of senior leadership in defense acquisition and military operations. The conversation explored leadership under pressure, strategic planning, managing complex programs, and successfully translating technological innovation into fielded capability.

CAPT Dennis Monagle USN (Retired) — Founder & CEO

“

Dennis brings an extraordinary depth of experience in leadership, aviation, defense acquisition, and technology,”
Andy Jacob

responsible for delivering uncrewed aircraft programs supporting intelligence, surveillance, reconnaissance, maritime operations, and other critical mission requirements for the Fleet and Joint Force.

A former naval aviator and helicopter squadron commander with nearly 2,000 flight hours, Monagle brings a rare combination of operational credibility and defense acquisition expertise.

“Dennis brings an extraordinary depth of experience in leadership, aviation, defense acquisition, and technology,” said Andy Jacob, host of the Entrepreneur Spotlight Show. “His ability to turn complex ideas into real-world results offers valuable lessons for entrepreneurs, executives, and organizational leaders.”

Throughout the episode, Monagle discussed the importance of disciplined execution, building

high-performing teams, understanding the needs of the end user, and ensuring that new technologies solve practical operational challenges.

Monagle holds advanced degrees from the University of Maryland and Indiana University. As Founder and CEO of Ash Bishop David, he continues to apply his military, aviation, acquisition, and strategic leadership experience to help organizations address complex challenges and deliver meaningful results.

About CAPT Dennis Monagle
