Premier Workspaces*

The expanded center now totals 12,523 square feet and features 45 fully furnished private offices, along with two professionally appointed conference rooms available by the hour and an on-demand day office. Clients also have access to virtual office plans, receptionist support, mail services, business-grade connectivity, and Premier Workspaces' nationwide network of flexible office locations.

Premier Workspaces' long-term commitment at Valley Executive Tower reflects the continued demand for professional, serviced workspace in established suburban

business markets. As companies continue to rethink traditional office commitments, Premier provides a convenient, fully supported workplace solution without the capital investment, operational demands, or long-term inflexibility of a traditional office buildout.

Located along Ventura Boulevard, Valley Executive Tower offers sweeping views of the San Fernando Valley and immediate access to restaurants, retail, professional services, and nearby residential communities. Its central location near the 101 and 405 freeways makes it a convenient business address for attorneys, financial professionals, consultants, healthcare

providers, real estate firms, entrepreneurs, and growing companies.

“Sherman Oaks remains one of Southern California’s most desirable business markets, and this expansion reflects the continued strength of demand for flexible office solutions in premium suburban locations,” said Amy Fuller, President of Premier Workspaces. “Our clients want professional workspace options that combine flexibility, convenience, service, and a strong business address. By expanding at Valley Executive Tower, we are investing in the long-term success of our clients and reinforcing our commitment to the San Fernando Valley business community.”

The expanded [Sherman Oaks office space](#) offers:
