Local blood drive will bring together residents and supporters to help strengthen the regional blood supply

WASHINGTON, NJ, UNITED STATES, July 17, 2026 /EINPresswire.com/ -- [Dank Poet](#), a community-focused Washington NJ cannabis dispensary, will host an upcoming community blood drive at its Washington location to encourage residents to donate blood and support patients in need throughout New Jersey and the surrounding region.

The blood drive will take place on 29 July 2026, from 1 PM to 7 PM, at Dank Poet Dispensary, 245 E Washington Ave, Washington, NJ 07882.

Supporting the Washington and Warren County Community

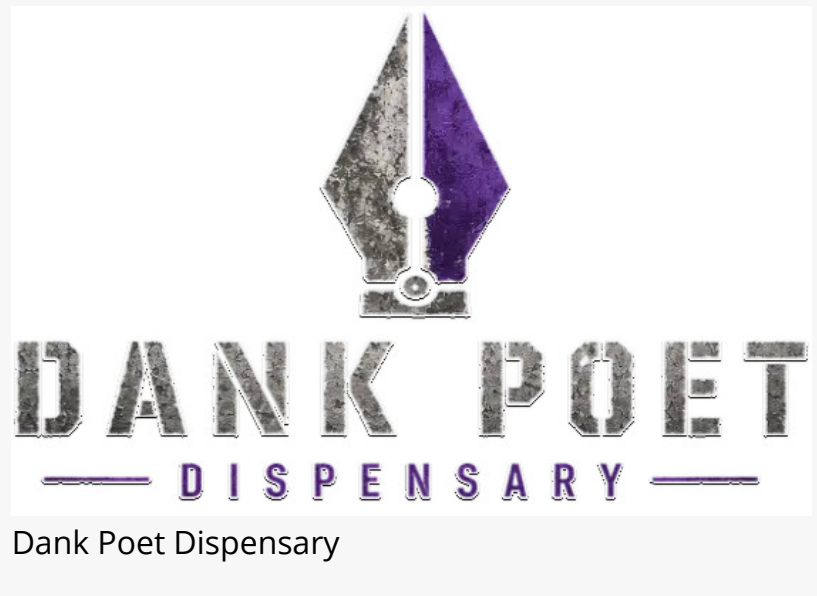

Blood donations play an important role in helping hospitals and healthcare providers respond to emergencies, surgeries, cancer treatments, chronic illnesses, and other medical needs.

Because donated blood has a limited shelf life, local blood drives are essential to maintaining a reliable supply for patients.

Through this local community event, Dank Poet hopes to make donating more convenient while raising awareness about the continued need for eligible blood donors.
