

Indiana Governor Mike Braun To Be Featured On The Elevate Podcast: Powered by Braden

The Elevate Podcast features influential business leaders. Governor Braun discusses how his leadership philosophy led him to become the Governor of Indiana.

INDIANAPOLIS, IN, UNITED STATES, July 20, 2026 /EINPresswire.com/ -- [Braden Business Systems](#) is proud to announce that Indiana Governor Mike Braun is the featured guest on an upcoming episode of [The Elevate Podcast](#): Powered by Braden, premiering on Thursday, July 23rd, 2026.

Hosted by [Jason Ulm](#), *The Elevate Podcast* features conversations with influential business and community leaders who are making an impact across Indiana and beyond. Governor Braun joins the podcast for an engaging discussion that spans how he originally had an entrepreneurial journey, but how his leadership philosophy led him on the high path to now being the Governor of Indiana. He discusses the future of technology, and his vision for strengthening Indiana's business community.

During the conversation, Governor Braun reflects on his path from building a successful business in southern Indiana to serving in public office, sharing lessons on leadership, calculated risk-taking, and the importance of investing in people and communities. He also discusses how emerging technologies, particularly artificial intelligence, are poised to transform industries such as healthcare and software development while creating new opportunities for innovation and economic growth.

Governor Braun joins The Elevate Podcast: Powered by Braden for an engaging discussion that spans how he originally had an entrepreneurial journey, but how his leadership philosophy led him on the high path to now being the Governor of Indiana. He discusses

"One of the goals of The Elevate Podcast is to bring meaningful conversations to business leaders across Indiana," said Jason Ulm. "Governor Braun shares valuable insights on entrepreneurship, leadership, technology, and the future of our state that will resonate with business owners, executives, and anyone passionate about Indiana's continued growth."

"As a second-generation Hoosier-born leader, our passion at Braden has always been about helping business leaders raise the bar," said Erik Braden, Managing Partner at Braden Business Systems. "Governor Braun's experiences as both a business leader and the Governor of Indiana made for a thoughtful conversation about innovation, economic growth, technology, and the importance of strong communities. We're excited to share it with our audience."

Topics covered in the episode include:

- Governor Braun's entrepreneurial journey from Jasper, Indiana, to business ownership and public service.

“

Governor Braun shares valuable insights on entrepreneurship, leadership, technology, and the future..."

Jason Ulm, Host of The Elevate Podcast

- How calculated risk-taking and long-term investment helped build a successful business.
- The rapid evolution of artificial intelligence and its potential to reshape industries and improve outcomes.
- Why strong communities remain the foundation for economic growth and opportunity.
- Indiana's competitive advantages for businesses and the importance of fostering innovation across the state.

These themes closely reflect Braden Business Systems'

own commitment to helping organizations embrace technology that drives measurable business
