

GARI Honors Outstanding Researchers at the 2026 International Conference Awards

AUSTIN, TX, UNITED STATES, July 19, 2026 /EINPresswire.com/ -- The Global Association for Research and Innovation (GARI) is pleased to announce the recipients of the 2026 GARI International Conference Awards, presented during the GARI International Conference on Science, Technology & Data-Driven Innovation 2026.

The awards recognize exceptional scholarly contributions, research excellence, innovation, and academic leadership demonstrated throughout the conference. Following a rigorous evaluation by the Conference Awards Committee, Session Chairs, and Track Co-Chairs, outstanding presentations were selected based on originality, scientific merit, presentation quality, innovation, interdisciplinary relevance, and potential real-world impact.

“These awards recognize researchers whose ideas can improve lives, influence policy, and drive innovation. We are proud to celebrate their achievements and support their continued success.”

*Dr. Jimoh Braimoh, President,
GARI*

This year's conference brought together researchers, academics, professionals, and students from around the world to share cutting-edge research spanning artificial intelligence, data science, engineering, sustainability, education, digital transformation, and interdisciplinary innovation. The awards celebrate individuals whose work exemplifies GARI's commitment to advancing research excellence and fostering meaningful global collaboration.

2026 Conference Award Recipients

□ Best Research Presentation Award

Akshita Raghuvanshi
The ICAI University, India

□ Emerging Scholar Award
Jhonson A. Rebosura
