Inn on Main, a six-room bed and breakfast on Route 6A in Yarmouth Port, has new owners and a new national recognition. David and Ruta Gordon have taken ownership of the historic inn, which was named #15 among the Best of the Best B&Bs and Inns in the United States in Tripadvisor's 2026 Travelers' Choice Awards.

“

We want Inn on Main to be a place where guests feel cared for from the moment they arrive.”

According to Tripadvisor, the Best of the Best tier is its highest honor and is based on the volume and quality of traveler reviews over a 12-month period, representing roughly the top 1 percent of listings worldwide.

The Gordons purchased the inn in spring 2026 from previous owners Chris and Sarah. They come to innkeeping

from careers in education and community leadership.

"This award is a reminder of what Chris and Sarah built here," said David and Ruta Gordon. "They created an inn that guests loved, and we feel honored to carry that forward while adding our own care to the guest experience."

The inn sits along the Old King's Highway on Route 6A. The property has six guest rooms, each with a private bath, and serves a daily breakfast. It is within walking distance of Yarmouth Port restaurants and shops and near Cape Cod beaches, galleries, and the Edward Gorey Museum.

"People come to Cape Cod for many reasons," said Ruta Gordon. "Some are celebrating, some are reconnecting, some are taking a break. We want Inn on Main to be a place where guests feel cared for from the moment they arrive."

David Gordon credited past guests for the inn's reputation. "Every review and every return visit helped make this recognition possible," he said. "We look forward to welcoming both longtime and first-time guests in the seasons ahead."
