AlēvCare Hospice Named DFW Favorites' Favorite Hospice for Third Consecutive Year | Medicare 5-Star Hospice in North Texas

MANSFIELD, TX, UNITED STATES, July 21, 2026 /EINPresswire.com/ -- [AlēvCare Hospice](#) has been named the 2026 DFW Favorites Favorite Hospice by readers of the Fort Worth Star-Telegram, marking the third consecutive year the locally owned [North Texas hospice provider](#) has earned the distinction.

Selected through public voting, the annual DFW Favorites Awards recognize businesses that have earned the confidence and support of the communities they serve throughout the Dallas-Fort Worth region.

Founded in Mansfield in 2016, AlēvCare Hospice has remained intentionally focused on one mission: providing exceptional hospice care for patients and families facing the end of life. Rather than expanding into multiple healthcare service lines, the organization has chosen to specialize exclusively in hospice care, allowing its team to provide highly personalized support while maintaining the hometown culture on which the organization was built.

"Being recognized as DFW Favorites' Favorite Hospice for the third consecutive year is an incredible honor because it reflects the confidence our community has placed in our team," said David Dowd, President and CEO of AlēvCare Hospice. "Every day, we're entrusted to care for families during one of life's most difficult journeys, and we never take that responsibility for granted."

The community recognition complements a growing list of independent quality achievements.

Its dedicated team remains intentionally small, preserving the hometown feel that define its approach to care." Below the main title, it says "2026 WINNER DFW FAVORITES Fort Worth Star-Telegram". At the bottom, it says "AlēvCare Hospice Voted Favorite Hospice" and "Fort Worth Star-Telegram". In the bottom right corner, it says "Presented May 31st, 2026 DFWFavorites.com".

“One of the greatest privileges in healthcare is being invited into people’s lives during such a sacred and vulnerable time,” Dowd added. “To know that our community has chosen AlēvCare Hospice as its Favorite Hospice for the third consecutive year is both humbling and deeply encouraging. We’re grateful for every family who has trusted us, every healthcare professional who has referred to us, and every member of our team who has made this recognition possible.”
