

# Lucky Luke Drops Debut Album as Edinburgh Indie Artist Gains Momentum

*Following the success of singles "Settle Down Boy" and "2lips", emerging UK artist Lucky Luke prepares to reveal his debut album on August 6, 2026*

EDINBURGH, UNITED KINGDOM, July 21, 2026 /EINPresswire.com/ -- What happens when an old Yamaha keyboard, acoustic guitar and a small dose of heartbreak come together in a bedroom in Edinburgh?

For independent artist Lucky Luke, its where the story begins. Penning songs from his keyboard and performing locally in open mics and to a loyal Youtube live audience, Lucky Luke has built a distinctive bedroom pop sound rooted in honesty, warmth and creative, quirky wit. Inspired by artists like Clairo, Steve Lacy and Hers, he turns ordinary moments into heartfelt songs that feel personal, relatable and effortlessly memorable.

This summer, the Edinburgh musician is ready to take his biggest step yet, with the release of his debut album, "Sheep Sky", arriving August 6, 2026.

The album follows a growing run of acclaimed releases. The relatable, guitar driven "[Settle Down Boy](#)" gained attention on trending indie playlists on SoundCloud, while "[2lips](#)" showcased a more vulnerable, DIY aesthetic, landing on respected bedroom pop playlists such as Polychroma's "Bedroom Pop".

Featuring guest production from Scrumpie and Henshu, "Sheep Sky" also features cowriting input from childhood friends, and in one touching collaboration "[Save it all](#)" Luke's family take the stage with vocals, guitar and bass playing. Each song is built on authentic storytelling and atmosphere, rather than chasing perfection.

Lucky Luke

Lucky Luke's music has been featured on Deluxe Indie by Broken Cloudy Sky, Red Rabbit's Indie Pop, among others, and his audience across social media continues to expand through word of mouth and a close connection with fans.

In a music industry often driven by perfection, Lucky Luke embraces sincerity instead. His songs are intimate, playful, and real - qualities that continue to attract new fans. Fans of Indie and Bedroom Pop are encouraged to check out the singles, as we look forward to the release of Sheep Sky.
