

Construction Companies Turn to Benjamin, Chaise & Associates for Nationwide Commercial Collections Solutions

Benjamin, Chaise & Associates a commercial collection agency helps contractors, subcontractors, and suppliers recover unpaid invoices and improve cash flow.

WEST HILLS, CA, UNITED STATES, July 22, 2026 /EINPresswire.com/ -- Benjamin, Chaise & Associates, a nationwide commercial collections agency specializing in B2B debt recovery and accounts receivable management, announced the expansion of its construction industry recovery services designed to help contractors, subcontractors, suppliers, and construction service providers recover unpaid invoices and improve cash flow.

Construction debt recovery services help contractors and suppliers recover unpaid commercial invoices nationwide.

The construction industry continues facing payment delays, unpaid balances, and contract disputes that create financial strain for businesses of all sizes. Benjamin, Chaise & Associates provides commercial collections and recovery solutions tailored specifically for construction companies dealing with overdue commercial accounts and aging receivables.

“

Unpaid invoices shouldn't stop construction companies from growing. Our commercial recovery solutions help contractors improve cash flow and recover overdue accounts professionally”

Collections Manager at BCA

The firm assists businesses with [construction debt recovery](#), contractor collections, payment resolution services and commercial account management.

“Construction companies face serious cash flow challenges from unpaid invoices,” said a spokesperson for Benjamin,

Chaise & Associates. "Professional recovery solutions help businesses protect revenue, maintain operations, and reduce financial disruptions caused by overdue commercial accounts."
