

Quezadillas Bar & Mexican Grill Named 2026 Best of Kentucky Award Winner

LOUISVILLE, KY, UNITED STATES, August 6, 2026 /EINPresswire.com/ -- Quezadillas Bar & Mexican Grill has been named a 2026 Best of Kentucky Award winner, recognizing the Louisville restaurant's commitment to authentic Mexican cuisine, hospitality, and community connection. The award highlights businesses that have earned the trust and support of their customers while making a meaningful impact in their local communities.

Located in the heart of Louisville, Quezadillas Bar & Mexican Grill has become a favorite gathering place for families, friends, and coworkers looking to enjoy traditional Mexican flavors in a welcoming setting. The restaurant offers a broad menu featuring tacos, burritos, enchiladas, grilled specialties, fresh guacamole, and signature dishes such as Chori Pollo and Carne Asada. In addition to its dine-in service, the business provides catering options including taco bars, fajita bars, and customizable packages for events of all sizes.

The restaurant's story is rooted in perseverance. Owner Luis immigrated to the United States from Zacatecas, Mexico, at age 17 in pursuit of greater opportunities. That determination helped shape the values that continue to guide the business today, including hard work, consistency, and treating every guest like family.

"We are incredibly grateful for this recognition," said Luis, owner of Quezadillas Bar & Mexican Grill. "This award belongs to our customers, our staff, and everyone who has supported us over the years. We came here with a dream of building something meaningful, and it's rewarding to see that effort recognized."

Receiving the 2026 Best of Kentucky Award marks an important milestone for the restaurant, but the team remains focused on the future. Through continued growth, community engagement, and a dedication to quality food and service, Quezadillas Bar & Mexican Grill looks forward to welcoming new guests while continuing to serve the customers who helped make this achievement possible.
