

# Renfro Valley Entertainment Center Named a 2026 Best of Kentucky Award Winner

MOUNT VERNON, KY, UNITED STATES, August 11, 2026 /EINPresswire.com/ -- Renfro Valley Entertainment Center, one of Kentucky's most iconic live entertainment destinations, has been named a recipient of the 2026 Best of Kentucky Award, recognizing its longstanding commitment to live music, hospitality, and community connection.

Since opening in 1939, Renfro Valley has welcomed generations of visitors to what is proudly known as "Kentucky's Music Capital." For nearly nine decades, the venue has provided audiences with memorable live performances and authentic entertainment experiences, earning a reputation as a destination where music and storytelling come together. The award highlights both the venue's rich history and its continued ability to attract audiences in an era increasingly dominated by digital entertainment.

What sets Renfro Valley apart is its ability to offer multiple experiences under one roof. Guests can enjoy the intimate atmosphere of the historic Old Barn Theatre or attend major performances in the larger New Barn Theatre, which regularly hosts nationally touring artists. Guided by its philosophy of "No Bad Seats, Just Better Stories," the venue focuses on creating meaningful connections between performers and audiences. Visitors can also extend their stay at the on-site Music Valley RV Park, transforming a concert outing into a full weekend getaway.

"We're incredibly honored to receive this recognition," said a Renfro Valley representative. "For more than 85 years, our mission has been simple: bring people together through great music and unforgettable experiences. This award belongs to our loyal guests, talented performers, dedicated staff, and the community that continues to support us year after year."

As Renfro Valley looks ahead, the organization remains committed to preserving its legacy while introducing new audiences to the magic of live entertainment. The 2026 Best of Kentucky Award serves as a celebration of that enduring mission and a reminder that some of the best stories are still told from a stage.
