

Poised Expressions Beauty Room Named a 2026 Best of Kentucky Award Winner

RADCLIFF, KY, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- Poised Expressions Beauty Room has been named a recipient of the 2026 Best of Kentucky Award, recognizing the studio's commitment to personalized skincare services, professional beauty treatments, and an exceptional client experience. The award highlights businesses that have earned the trust and support of their communities, and for Poised Expressions Beauty Room, it reflects a reputation built on helping clients feel comfortable, confident, and cared for from the moment they walk through the door.

Known for its customized facials and Brazilian waxing services, Poised Expressions Beauty Room has distinguished itself by focusing on the individual needs of each client rather than taking a one-size-fits-all approach. Customized facials are tailored to specific skin concerns and goals, while waxing services are delivered with an emphasis on professionalism, education, and client comfort. The studio's philosophy, captured in its slogan, "Welcome To Your Glow Era," centers on making self-care approachable and empowering for every person who walks through its doors.

"We're incredibly grateful to receive this recognition," said Marinelle Rowell, owner of Poised Expressions Beauty Room. "Our goal has always been to create a welcoming environment where clients feel seen, heard, and supported. Whether someone is visiting for a facial, waxing service, or simply taking time for themselves, we want them to leave feeling more confident than when they arrived. This award is a reflection of the trust our clients place in us every day."

As beauty trends continue to evolve, Poised Expressions Beauty Room remains focused on the fundamentals that matter most: personalized care, meaningful client relationships, and high-quality services. The 2026 Best of Kentucky Award serves as both a celebration of the studio's accomplishments and a reminder of its ongoing commitment to helping clients look and feel their best. Looking ahead, Marinelle plans to continue building on that foundation while creating even more opportunities for clients to embrace their own glow era.
