

'Ooh Baby Baby' Delivers A Preview of Lisa Coppola's Upcoming Album, 'Showing Up As Myself', Due August 8, 2026

'Showing Up As Myself' Was Produced by Three-Time Grammy® Award Winner, Lonnie Park.

SOUTH PLAINFIELD, NJ, UNITED STATES, July 22, 2026 /EINPresswire.com/ -- Any Other Name Music announces the release of Lisa Coppola's newest single, "Ooh Baby Baby" and the upcoming release of Coppola's new album, 'Showing Up As Myself' on August 8!

Coppola's interpretation of "Ooh Baby Baby" features guest vocalists, Christine Ghilino and Carmen Nardone, and celebrates friendship, vulnerability and the timeless beauty of close harmony. Coppola toured with Ghilino in the popular show band The Party Dolls and later performed alongside Nardone in Ladies of the 80s. Coppola describes those years on stage as "harmony boot camp," an invaluable training ground that shaped not only the trio's vocal chemistry, but enduring friendships as well. "Ooh Baby Baby" was written by William "Smokey" Robinson and Warren "Pete" Moore. Over the decades, it has also been recorded by Linda Ronstadt (in 1978) and Aretha Franklin (in 1973). It is the only cover track on the upcoming album.

"Ooh Baby Baby" was released on July 18, 2026.

'Showing Up As Myself' will be released on August 8, 2026. The five-song album was produced by multi-GRAMMY®-winning producer Lonnie Park and is rooted in something increasingly meaningful in today's music landscape: the music is 100% AI-free. Every lyric, melody, vocal, instrumental performance, and production decision was created by human artists working together. At the center of the album is Coppola's voice—expressive, nuanced and emotionally direct. Across five songs, she explores possibility, love, presence, nostalgia, and vulnerability

while reflecting on what it means to remain grounded in one's identity through change. The second single off the album, "Take Me Higher", is currently being played world-wide on AAA and Americana radio stations across the USA and in the UK.

Lisa Coppola is an Americana/AAA/Adult Contemporary artist who creates music focusing on connection, resilience and authentic self-expression. Ms. Coppola has achieved international recognition, including chart success with "Christmas (Baby Please Come Home) – Remix 2024," which reached #10 on the iTunes UK Overall Chart, #1 on the UK

Christine Ghilino and I were in a band called the Party Dolls and used to sing it for fun! I found a demo of us goofing around and decided it needed to be recorded properly so others could hear it!”
