“

Being named a Fleetio Premier Partner is a strong validation of the work our team is doing every day to support fleet uptime and efficiency.”

Bill Cooper, Vice President of Sales at Kooner FMS

FMS strengthens its ability to deliver seamless, technology-enabled maintenance solutions to fleets nationwide, combining its on-site and mobile service model with Fleetio's award-winning fleet maintenance and optimization platform.

This designation recognizes Kooner FMS as a trusted, high-performing partner within Fleetio's growing ecosystem, which powers maintenance and operations for more than eight million fleet assets.

“Being named a Fleetio Premier Partner is a strong validation of the work our team is doing every day to support fleet uptime and efficiency,” said Bill Cooper, Vice President of Sales at Kooner FMS. “Fleetio's platform aligns perfectly with our mission to simplify fleet maintenance, reduce downtime, and provide real-time visibility for our customers. Together, we're creating a more connected and responsive service experience for fleets.”

Fleetio's Partner Program brings together leading service providers and technology partners to build a more integrated fleet optimization ecosystem. As a Fleetio Premier Partner, Kooner's designation reflects its commitment to delivering reliable maintenance services and supporting fleets through high-quality service.

“Kooner Fleet Management has built a strong reputation as a trusted third-party maintenance provider for fleets across North America,” said Kendee Vaughn, Director of Vendor Partnerships at Fleetio. “We're excited to welcome them as a Premier Partner within Fleetio's Maintenance

Shop Network and look forward to working together to provide customers with a more connected, efficient maintenance experience that maximizes uptime and reduces administrative burden.”

Founded in 2016, Kooner FMS continues to grow its North American footprint, serving hundreds of logistics, transportation, and Fortune 500 companies across the U.S. and Canada. The company has grown its headcount by more than 2,600% since 2020 and plans to hire more than 100 additional technicians and corporate employees in the coming year. This partnership further reinforces a commitment from Kooner FMS to delivering scalable, tech-enabled solutions that keep fleets moving.
