Wilson's term became effective July 1, 2026, and will run through June of 2028.

Kids' Chance of America unites and supports state Kids' Chance organizations across the country. Since 1988, these organizations have collectively awarded more than \$46 million in scholarships. "What started as a humble mission in 1988 has taken on incredible momentum and today is a thriving, nationwide movement," said Wilson. "The kids served by Kids' Chance are unique in strength and determination, and it has been one of the most profoundly rewarding experiences of my life to be part of their journey. I am honored to serve as Chair, and I look forward to helping Kids' Chance continue to grow, evolve, and change lives."

As Chair, Wilson will work closely with leadership staff on KCOA's efforts to strengthen state organizations, foster major donations, and expand resources such as its Planning for the Future referral network, along with the technical services, training, and operational support KCOA provides nationwide.
