MIAMI, FL, UNITED STATES, July 22, 2026 /EINPresswire.com/ -- [The Oracle Psychic](#), one of Miami's longest-

standing spiritual guidance practices with roots going back over 40 years, continues its mission of transformation under the guidance of Alexandra, a gifted psychic reader, energy healer, and life coach with 22 years of personal practice serving clients across Miami, London, Milan, Moscow, Kyoto, and internationally.

“

My purpose is to help people step into the mission their soul came here to fulfill.”

Alexandra

The Practice and the Woman Behind It

The Oracle Psychic has been a trusted name in Miami's spiritual community for over four decades. Today, Alexandra carries that legacy forward with a contemporary, results-driven approach that honors the depth of the practice's roots while bringing her own precision, presence, and proprietary method to every client she serves.

Alexandra's gift was received early in life. Over 22 years of professional practice across multiple countries and cultures, she has developed one of the most comprehensive and precise approaches to spiritual guidance available today.

Her clientele spans individuals from all walks of life: entrepreneurs, executives, artists, philanthropists, and people navigating the quiet crossroads that never make it into a conversation with anyone else.

A Legacy That Goes Beyond a Single Generation

The Oracle Psychic is not simply a business. It is the continuation of a multi-generational spiritual

legacy, built on the belief that every person carries an untapped potential that the right guidance can bring forward.

That belief shapes every session Alexandra offers. Whether a client comes seeking clarity in a relationship, direction in their career, or a deeper understanding of who they are at their core, the goal is always the same: to help them gain honest, actionable insight and move forward with confidence.

The practice draws on a broad range of intuitive and [spiritual tools](#), including tarot card readings, palm readings, ESP psychic readings, astrology charts, chakra alignments, energy cleanses, past life regression, and life coaching. Sessions are tailored to each client's needs, and every consultation is held in strict confidence.

The Oracle Code, Alexandra's Signature Method

Alexandra's approach is built on a proprietary three-pillar system she calls the Oracle Code, a method that combines psychic diagnosis, energetic clearing, and life elevation into one complete process. Drawing on clairvoyance, clairsight, and

clairsentience simultaneously, Alexandra reads a client's complete energetic blueprint before a single word is spoken. She then identifies the ancestral and personal patterns blocking their highest life in love, finances, purpose, and power, and works to remove them at the root. The result is not a temporary shift but a deep and lasting transformation.

Who Seeks Out The Oracle Psychic?

Clients who seek Alexandra's guidance come from remarkably diverse backgrounds. Her clientele includes people navigating major life transitions, business owners facing high-stakes decisions, couples working through relationship challenges, high-achieving individuals who feel

spiritually disconnected from their success, and those searching for direction, clarity, and a deeper sense of purpose.

South Florida's entrepreneurial and multicultural community makes Miami a natural home for this kind of work.
