

Dr. Linda Tolbert Reaches Amazon Best-Seller Status with 'The Heart of Success' Book Co-Authored with Jack Canfield

SEATTLE, WA, UNITED STATES, July 22, 2026 /EINPresswire.com/ -- SuccessBooks® proudly celebrates the outstanding achievement of "The Heart of Success" co-authored by Linda Davis Tolbert, alongside Jack Canfield and a group of distinguished professionals worldwide. Launched on July 16th, 2026, the book has achieved Amazon Best-Seller status, marking a significant milestone in its journey.

Central to the success of "The Heart of Success" is Linda Davis Tolbert's chapter, "The Way Back To You." Linda shares her journey from being an exceptionally accomplished physician and leader to realizing that outward success does not always equal inner fulfillment. Through personal loss, reflection, and the courage to question the path she had faithfully followed, she discovers that true success comes from reconnecting with her authentic purpose and aligning her life with who she was always meant to be.

Best Selling Author - Dr. Linda Tolbert

"The Heart of Success" made an impressive debut on Amazon, earning Best Seller status across multiple competitive business categories, including Sales & Selling, Entrepreneurship, and Business Development & Entrepreneurship. The book also achieved an outstanding #3 Amazon New Release ranking while appearing on multiple New Release lists in leadership, business, and personal development. These accomplishments reflect the book's strong launch momentum and its resonance with readers seeking practical insights on purpose-driven leadership and success.

Meet Linda Davis Tolbert:

An accomplished CEO, Dr. Linda Tolbert was named to the Becker's Healthcare "Top Black Healthcare Leaders." She has proven success in strategy development and execution in the

medical industry, grounded in innovation, change management, financial oversight, regulatory compliance, and diversity, equity & inclusion advocacy. With extensive experience leading enterprise operations, she is recognized for building high-impact partnerships and connections internally and externally across all organizational levels.

Board certified in Internal Medicine and Dermatology, Dr. Tolbert served as a physician with a large multi-specialty group in the United States for many years, until September 2025. Prior to her last role as CEO and Executive Medical Director, leading 1,300+ clinicians and serving 640,000 members in Washington, Linda practiced Dermatology, ultimately serving as the Regional Chief of Dermatology for the Southern California enterprise. During her tenure, the department flourished, with tremendous growth and innovation in the realm of virtual dermatology, years prior to the pandemic necessity. Earlier in her career with the group, she served as the Regional Risk Management Physician Lead, helping to create high quality, safe and reliable systems to facilitate consistent excellent outcomes.

Linda prides herself on being an authentic, visible leader known for building connection and trust, inspiring teams, and developing future leaders with integrity, candor and kindness. Under her leadership, teams led award-winning clinician wellness programs and diversity, equity, & inclusion programs, strengthening engagement and resilience. Additionally, as an academic clinician-educator with sustained leadership in medical education, Dr. Tolbert served as an Assistant Professor with roles spanning admissions interviewing, formal coaching, curriculum leadership, faculty governance, diversity, equity & inclusion initiatives, and residency interviewing & training. In addition, she has delivered numerous talks at local, regional, national and international conferences.

Dr. Tolbert recognizes that earth's experiential life school, including having raised three children with her partner of 37 years, is a substantial, rewarding and ongoing education. Her formal education spans the halls of Barry University for undergraduate, Howard University College of Medicine, Southwestern University School of Law, the University of California, Los Angeles (UCLA), for the Master of Public Health, the University of Southern California (USC) for the Doctor of Education, and Harvard Business School (HBS) for the Executive Leadership Program.

Linda loves art, music, sports and travel. She is immensely grateful for her life experiences thus far and very excited to have her journey of awakening, growth and contribution further unfold.
