

Pre-Orders Open August 12: Batman Final Suit (Design by Jorge Jimenez) Statue

Prime 1 Studio announces a new statue: Batman Final Suit (Design by Jorge Jimenez). Pre-orders August 12, 2026 (JST).

ASAKUSA, TAITO-KU, TOKYO, JAPAN, August 12, 2026 /EINPresswire.com/ -- Prime 1 Studio is pleased to announce Batman Final Suit from "Justice League: The Sixth Dimension," joining the Premium Masterline series.

Presented as a non-scale statue, the piece depicts Batman as he appears in the ordered future revealed in the Sixth Dimension. Jorge Jimenez, who contributed to both the art and story of the original work, participated in the project as designer, drawing on the character's debut appearance.

The statue recreates Batman's silhouette with its large outstretched wings and adds panel lines to the armor for greater visual detail. The gold areas were developed through repeated color adjustments, while elements not fully shown in the comic, including the internal structure of the wings, have also been designed for the three-dimensional presentation. LED illumination is incorporated into the helmet and energy effects.
