The experience of living in a Forthright Properties community is reflected in the accounts of current residents:

"I have been a tenant with Forthright Properties about 3 years now. I continue to be impressed by their service. No place is without hiccups, but everytime an issue has come up I have been met with a prompt and professional response. Any frustrations are addressed in a timely manner. Very accommodating and friendly staff. Suites are well equipped and nice. I would recommend forthright to anyone who's looking for a home." — Jeff T., Forthright Properties Resident

"We have been renting from Forthright Properties for approximately 1 year and they have been nothing but fantastic. Had a leaky dishwasher which was fairly new and maintenance replaced with brand new one. Any requests my wife and I have had, they were dealt with immediately." — Jeff M., Forthright Properties Resident

"I was helping my friend with getting her first apartment through Forthright and I just wanted to say that it was the best experience I've ever had with a property management company. (and I've lived in quite a few places!) The leasing staff was very nice and the office staff were extremely helpful over the phone. I would highly recommend Forthright to anyone looking for a new place!"
— Autumn L., Forthright Properties Resident
