Miguel Muro joins the San Diego office of Jurewitz Law Group Injury & Accident Lawyers, handling personal injury and accident cases.

SAN DIEGO, CA, UNITED STATES, July 23, 2026 /EINPresswire.com/ -- [Jurewitz Law Group Injury & Accident Lawyers](#) has added [Miguel Muro](#) to its team of attorneys, with Muro handling personal injury and accident cases exclusively from the firm's San Diego office beginning this month.

Muro was born and raised in Inglewood, California, and built his legal career from the ground up, starting as a legal assistant, then a law clerk, before becoming an attorney. That path gave him direct exposure to personal injury litigation and the real-world impact these cases have on clients and their families at each stage of a claim. He earned a Bachelor of Arts in Political Science from the University of California, Santa Cruz, and a Juris Doctor from California Western School of Law, where he took part in organizations that support and advocate for marginalized communities.

Muro originally planned to become a public defender, drawn to advocacy work on behalf of people facing difficult circumstances. Over time, he found that personal injury law offered a similar opportunity: helping individuals recover during some of the most challenging moments of their lives. In his new role, he focuses on helping injured clients obtain the support and resources they need to recover and move forward after an accident.

"Every client who calls us is dealing with a disruption to their life, and my role is to help them get the support they need to move forward," said Miguel Muro, Attorney at Jurewitz Law Group Injury & Accident Lawyers.
