

Creatio Announces Bank.AI Summit, Bringing Together Banking Leaders to Shape the Future of AI in Financial Services

The premier in-person event for financial services executives exploring AI strategy, governance, and real-world innovation

BOSTON, MA, UNITED STATES, July 23, 2026 /EINPresswire.com/ -- [Creatio](https://www.creatio.com), an AI CRM and workflow platform where people and AI agents work together — with no limits on users, agents, or scale, today announced Bank.AI Summit by Creatio, an executive event dedicated to banking and credit union leaders shaping the future of AI in financial services. Taking place on October 27, 2026, at the Four Seasons Hotel Chicago, this curated in-person experience brings together the ideas and people that move the industry forward.

As financial institutions transition beyond AI experimentation toward enterprise-wide adoption, executives are navigating new challenges around governance, security, customer experience, and organizational readiness. Bank.AI Summit was created to help banking and credit union leaders turn AI ambition into measurable business outcomes.

Throughout the one-day event, attendees will hear from banking executives, technology innovators, and AI experts through more than 20 sessions focused on the opportunities and challenges shaping the industry today. Agenda topics will include:

AI strategies proven to work for banks and credit unions

Governance best practices for managing risk and scaling AI responsibly

AI agent showcases that unveil the art of what's possible for financial institutions

Success stories from banks actively deploying AI across the entire customer journey

In addition to keynote presentations, attendees can explore three dedicated learning tracks—Grow Your Bank, Serve Your Customers, and Security, Guardrails & Governance—offering practical frameworks for every stage of their journey.

Beyond the educational sessions, Bank.AI Summit provides a unique opportunity for banking and credit union executives to connect with peers, exchange ideas, and learn from organizations leading AI transformation across financial services. Hosted at the iconic Four Seasons Hotel Chicago, the event combines executive networking with actionable insights in one of the city's premier venues.

Registration is now open.
