

Infinity Replacement by Marvin® Cincinnati named a Top 3 Window Installation Service for 2026 by BusinessRate

Recognition reflects strong customer reviews, service quality, and business performance across the Cincinnati market.

WARROAD, MN, UNITED STATES, July 23, 2026 /EINPresswire.com/ -- Infinity Replacement by Marvin has been recognized by BusinessRate as a Top 3 Window Installation Service in the Cincinnati area for 2026, based on the organization's evaluation of customer reviews, service quality indicators, and business performance metrics.

“Our team works hard every day to deliver quality products, professional installation, and a customer experience that homeowners can feel confident recommending to their friends and neighbors.”
Will Markle, General Manager

BusinessRate is an independent business rating platform that analyzes customer feedback and other performance signals to benchmark local service providers within their categories. According to BusinessRate's 2026 rankings, Infinity Replacement by Marvin's Cincinnati location earned a benchmark score that placed the company among the top-rated window installation providers in the market.

"We're honored to receive this recognition," said Will Markle, general manager of Infinity Replacement by Marvin's Ohio and Kentucky locations. "What makes this award meaningful is that it reflects the experiences of homeowners we've had the privilege to serve. Our team works hard every day to deliver quality products, professional installation, and a customer experience that homeowners can feel confident recommending to their friends and neighbors."

Infinity Replacement by Marvin provides homeowners throughout the Cincinnati area, and 18 other markets across the country, with a full-service window and patio door replacement experience, including personalized design consultations, custom-manufactured Infinity by Marvin fiberglass windows and doors, and professional installation managed from start to finish.

The recognition reflects the company's continued focus on customer satisfaction and craftsmanship, supported by homeowner reviews highlighting product quality, communication,

and installation expertise.
