

Eve Cline, Enavate Chief Experience Officer, to be Inducted into Titan 100 Hall of Fame

Enavate's Chief Experience Officer, Eve Cline, has been a member of the Tampa Bay Titan 100 for the last two years and is being inducted into the Hall of Fame.

TAMPA, FL, UNITED STATES, July 23, 2026 /EINPresswire.com/ -- [Enavate](#), a headline sponsor of the [Tampa Bay Titan 100](#), is pleased to announce our own Chief Experience Officer, Eve Cline, as a 2026 Tampa Bay Titan 100 Hall of Fame honoree.

The Titan 100 recognizes Tampa Bay's Top 100 CEOs and C-level executives, the region's most accomplished leaders who have not only built extraordinary companies but have redefined what it means to lead. These Titans exemplify excellence through their vision, passion, and integrity, creating lasting impact across industries and communities.

“

Over the last two years, this community has given me access to some of the most remarkable leaders in this region, and I look forward to continuing to collaborate, learn, and grow alongside them.”

Eve Cline, Enavate Chief Experience Officer

“This year's Titans represent more than success; they embody resilience, purpose, and transformation,” said Jaime Zawmon, President of Titan CEO. “Being a Titan is not just a title; it is a mindset, a way of leading with courage, serving with integrity, and creating something that outlasts you. It is about lifting those around you and leaving a legacy that inspires others to rise. These leaders stand as proof that the future of business is driven by those who turn vision into lasting impact.”

Eve Cline is the Chief Experience Officer at Enavate, where she leads Marketing and Human Resources. In this role,

Eve champions a holistic approach to growth—aligning revenue strategies with a strong, people-first culture that empowers teams and delivers exceptional client experiences. With a proven track record in driving organizational transformation, Eve focuses on creating meaningful connections between Enavate's brand, its people, and its clients. Eve's leadership philosophy

centers on innovation, collaboration, and fostering an inclusive environment where talent thrives and business objectives are met with excellence. Under Eve's guidance, Enavate continues to strengthen its market presence while cultivating a culture that values transparency, engagement, and continuous improvement.

"Being named to the inaugural Titan 100 Hall of Fame class is something I will never forget — especially here in Tampa Bay, where I grew up and built my career. Over the last two years, this community has given me access to some of the most remarkable leaders in this region, and I look forward to continuing to collaborate, learn, and grow alongside them."

Eve and her fellow honorees will be recognized at the 2026 Tampa Bay Titan 100 Awards on October 22nd, 2026, at Yuengling Center in Tampa.

"The [Enavate team](#) is privileged to benefit from the transformational leadership and vision that Eve brings to our organization. I congratulate her on this well-deserved honor and welcome her as a fellow Hall of Fame member," said Thomas Ajspur, Enavate CEO. "On behalf of Enavate, I also want to congratulate all of the 2026 Titan 100 honorees. Tampa has an outstanding community of business leaders, and it is our honor to see them recognized and celebrated."

About Enavate:

Enavate is the leading Microsoft solutions partner in the Dynamics ERP space, helping organizations design, strengthen, and evolve the systems that run their business. Specializing in Microsoft Dynamics 365 Business Central, Azure, and the broader Microsoft business ecosystem, Enavate delivers business consulting, ERP implementation and modernization, cloud infrastructure, software upgrades and support, and managed IT services to organizations across North America and Europe.

The Enavate team has leveraged their unparalleled experience with Microsoft business solutions to deliver more than 10,000 successful projects. Guided by a culture of transparency, ownership, and collaboration, Enavate helps organizations reduce complexity, maximize their technology investments, and establish scalable foundations that support growth and long term confidence.
