

Heidi G. Villari of The Villari Firm, PLLC Named to Super Lawyers for the Tenth Consecutive Year

PHILADELPHIA, PA, UNITED STATES, July 23, 2026 /EINPresswire.com/ -- Heidi G. Villari, managing partner of [The Villari Firm, PLLC](#) in Philadelphia, has been selected to Super Lawyers for 2026, marking her tenth straight year on the list since 2017. The 2026 selection continues one of the more consistent recognition records among Pennsylvania personal injury and [medical malpractice](#) attorneys.

Alongside the general selection, Villari again appears on three of the publication's most selective top lists. She was named to the Top 100: 2026 Philadelphia Super Lawyers and the Top 100: 2026 Pennsylvania Super Lawyers, extending runs on both lists that began in 2022. She was also named to the Top 50: 2026 Women

Pennsylvania Super Lawyers, a list she has appeared on every year since 2020. Super Lawyers selections are based on peer nominations, independent research, and evaluation across a range of professional achievement indicators, with only a small percentage of attorneys in each state selected annually.

Licensed in Pennsylvania since 1998 and admitted in New Jersey as well, Villari represents individuals and families harmed by catastrophic injury, wrongful death, and medical malpractice. She began her career on the other side of the docket, defending clients against personal injury claims, and has said that experience shapes how she builds cases today. Knowing how insurers and institutional defendants evaluate exposure informs her approach to discovery, negotiation, and trial preparation.
