“

Awards are a byproduct of the same discipline we bring to every project, whether it wins a trophy or not.”

Sonny Nazemian

regarded as the most decorated remodeler in the Washington-Baltimore corridor, has been named a three-time winner in the 2026 Chrysalis Awards for Remodeling Excellence. According to the program, multiple awards in a single year are rare, and three in one year are rarer still.

The 2026 wins mark the eighteenth consecutive year in

which Michael Nash has earned Chrysalis recognition, the most in the nation. Over eighteen years of entries, Michael Nash has collected 53 Chrysalis Awards in total, a national record. That tally includes 40 Regional Chrysalis Awards spanning a 12-state territory stretching from Florida to Virginia and west to Texas, plus 13 National Awards in which Michael Nash projects were judged the best in the country.

"Awards are a byproduct of the same discipline we bring to every project, whether it wins a trophy or not. Eighteen straight years tells us the process is working, and that is what matters most to the families who trust Michael Nash with their homes."

MICHAEL NASH'S RECORD SPANS THE MOST COMPETITIVE CATEGORIES

In the letter announcing the 2026 results, Ken Kanline of the Chrysalis Awards for Remodeling Excellence noted that Michael Nash's wins have consistently come in the program's most competitive categories, including Kitchen, Bath, Additions, Interior and Exterior Remodeling, Detached Outbuilding, Residential Interior, and Whole House Remodel.

Kanline wrote that the volume and variety of winning projects demonstrates the breadth of the

company, and that eighteen consecutive years of wins reflects a continuing commitment to the highest level of design excellence and professionalism.

Michael Nash is also one of only twenty companies in the country to hold the Chrysalis Decade of Excellence Award, given to firms that have won a Chrysalis Award in ten separate years.

The Chrysalis Awards, established in 1994, are a national juried program recognizing the best in remodeling design. Entries are evaluated on overall design, creative use of space and materials, and the degree to which the project enhances the original structure.

A CONSISTENT MICHAEL NASH RECORD ACROSS NATIONAL AND REGIONAL PROGRAMS

The Chrysalis results add to a 2026 cycle in which Michael Nash was already named a multiple Grand Award winner in the PRO Remodeler of the Year, Metro DC program and a Pulse of the City News honoree for Excellence in Customer Satisfaction.
