

Party with a Purpose: Local Airport Cafe Hosts Charity Casino Night for Breast Cancer Patients

RIVERSIDE, CA, UNITED STATES, July 27, 2026 /EINPresswire.com/ -- Billed as a "party with a purpose," the event raises critical funds that bypass bureaucratic red tape to assist area residents navigating a breast cancer diagnosis directly.

A powerful new partnership is taking flight in Riverside to support local breast cancer patients. [The CARE Project, Inc.](#) has teamed up with the [Riverside Airport Cafe](#) to host the 2026 "Casino Night with CARE" fundraising event.

The annual charity gala will take place on Saturday, August 8, 2026, from 6:00 PM to 10:00 PM at the Riverside Airport Cafe, 6951 Flight Road, Riverside.

A Partnership Built on Shared Purpose

The collaboration represents a deeply personal commitment for Riverside Airport Cafe owner Leimamo Taylor. Like millions of families worldwide, Taylor's family has been personally impacted by breast cancer.

Driven by a desire to maximize funding for The CARE Project's core mission, Taylor generously offered her venue to anchor the fundraiser, ensuring that operational overhead remains low and event proceeds are fully optimized.

The event also highlights a growing bond between Taylor and Carrie Madrid, the Founder and CEO of The CARE Project. What began as a personal friendship has evolved into a strategic business alliance.

Donors enjoyed Casino Night with CARE at last year's gala supporting breast cancer patients through The CARE Project, Inc. This year's charity gala will be held at the Riverside Airport Cafe.

"The CARE Project is strongly committed to supporting the small businesses who step up to support our small nonprofit," Madrid stated, emphasizing the symbiotic relationship between local commerce and grassroots charity work.
