

VH2 Television Launches on Amazon Appstore and Expands Streaming Reach

VH2 Networks gives audiences more ways to watch original programming, independent films, live content, and creator-driven entertainment on Amazon and Roku.

ATLANTA, GA, UNITED STATES, July 28, 2026 /EINPresswire.com/ -- VH2 Networks, Inc. announces the launch of the [VH2 Television app](#) on the Amazon Appstore, marking another major step in the independent network's expansion across connected-TV and streaming platforms.

VH2 Television

“

We created VH2 to give independent creators a platform where their voices, stories, and talents can be seen.”

CEO Daryll Triplett

The launch gives viewers another convenient way to discover and access [VH2 Television](#) through compatible Amazon devices. Audiences can enjoy a growing selection of original series, independent films, live programming, documentaries, podcasts, community-focused shows, and entertainment produced by independent creators and influencers.

“Launching VH2 Television on the Amazon Appstore is a major accomplishment for our network,” said Daryll Triplett, founder and CEO of VH2 Networks, Inc. “We

created VH2 to give independent creators a platform where their voices, stories, and talents can be seen. This launch brings us closer to putting VH2 Television in homes across the country and around the world.”

Upcoming programming and features will include VH2 LatinX, a dedicated crime stories bureau, and the VH2 Food Channel. Hosted by Carlos Solomon, the food channel will highlight outstanding restaurants, local favorites, and memorable places to eat throughout the nation.

The Amazon Appstore launch advances VH2 Networks' mission to become a leading destination for independent entertainment. It also gives filmmakers, producers, advertisers, creators, and

community organizations access to a growing network with expanding distribution.

Viewers can download VH2 Television from the Amazon Appstore at <https://www.amazon.com/dp/B0H7R3Q78X>.
