Qualified Level 5 Arborist Providing Expert Tree Care

Max Tree Services is led by Max Osman, a Qualified Arborist holding a Level 5 Diploma in Arboriculture, providing clients with expert advice backed by advanced industry knowledge and practical experience.

A Diploma Level 5 Arborist is qualified to undertake complex tree risk assessments, arboricultural reports, tree preservation advice, council planning assessments, and advanced tree management strategies. This level of expertise enables clients to make informed decisions that balance public safety, tree health, environmental sustainability, and property protection. Max Tree Services carefully evaluates every tree and provides honest, independent advice.

Commitment to Safe and Sustainable Tree Management

Safety, professionalism, and environmental responsibility are at the core of every project. Max Tree Services follows industry-leading arboricultural practices to protect people, property, and the natural environment. The company assists clients with council permit applications, complies with Australian Standards, uses environmentally responsible bio oil products where appropriate, and recommends suitable replacement tree species following removals to help maintain Melbourne's urban forest. Every project is completed with careful planning, strict safety procedures, and meticulous site clean-up, ensuring minimal disruption to homes, businesses, and surrounding landscapes.
