

MUSASHI JAPAN Opens Osaka Namba Ebisubashi Store for Japanese Kitchen Knives

The new Osaka store reflects the energy of Namba while presenting Japanese kitchen knives in a calm, Japanese-inspired retail space.

TOKYO, JAPAN, August 19, 2026
/EINPresswire.com/ -- TAIMATSU Inc.
(headquarters: Chuo-ku, Tokyo;
Representative Director: Wang Weihang;
hereinafter "TAIMATSU"), the company
behind the Japanese kitchen knife
brand MUSASHI JAPAN, held the grand
opening of MUSASHI JAPAN Osaka
Namba Ebisubashi Store in Namba,
Osaka.

MUSASHI JAPAN introduces high-quality Japanese kitchen knives made by artisans across Japan to customers in Japan and overseas. The brand presents the appeal of Japanese traditional craftsmanship and manufacturing culture to global audiences. With the opening of this new location, MUSASHI JAPAN expands into Osaka's Namba area as its next retail market.

A New Location Connected to the
Culture of Osaka Namba

The Namba Ebisubashi area in Osaka is not only a major tourist destination, but also a district widely associated with the energy and character of

Osaka. The area brings together large neon signs along the Dotonbori River, street food culture, comedy and entertainment, and a long-standing commercial culture that has continued since the Edo period. It is a district where many visitors come not only to shop, but also to experience the atmosphere of the city itself.

Ebisubashi-suji Shopping Street has historically developed as an approach to Toka Ebisu, a festival associated with business prosperity and good fortune. Along the approximately 370-meter shopping street, long-established stores and contemporary culture coexist, creating an environment where tradition and modern urban culture naturally intersect.

MUSASHI JAPAN sees strong compatibility between this setting and its Japanese kitchen knives, which combine traditional craftsmanship with a contemporary retail experience.

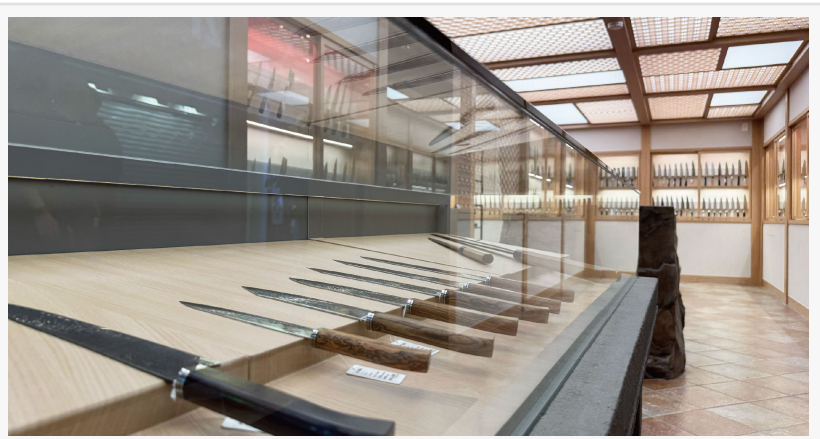

A Japanese-Inspired Space Combining Calmness and Energy

The interior uses bright, soft wood tones to create a calm space with the warmth of Japanese design. Although the store is located in the lively Namba area, the interior is designed to provide a more relaxed atmosphere once customers enter.

At the center of the store, a substantial stone table has been placed to highlight the presence of the Japanese kitchen knives and the craftsmanship behind them. The contrast between the surrounding energy of Osaka Namba and the calm interior environment creates a distinctive retail setting for viewing and selecting knives.

Future Outlook

Through the opening of MUSASHI JAPAN Osaka Namba Ebisubashi Store, TAIMATSU aims to create a retail location that goes beyond tourism-driven consumption. The company also seeks to contribute to greater understanding of Japanese culture, wider recognition of traditional craft industries, the continuation of artisan culture, and opportunities for multicultural exchange.
