Showers Grace

Guests will have access to private showers, hygiene kits, clean clothing, community resources, light refreshments, and prayer and encouragement — all free of charge. The event is offered in partnership with [Apyrl Showers](#), an organization dedicated to providing dignified hygiene access to communities in need.

“

We are meeting God's standard for the church in our city. Every person who walks through these doors deserves to be treated with dignity, not just charity. The need is here now, and so are we.”

Reverend Ademuyiwa T.
Bamiduro

August 5 is also a Grocery Giveaway & Gospel Soup day that takes place every first and third Wednesday at Walker Memorial. This ministry has fed dozens of families over the past five years. With the church already open, community members can access showers, groceries, and a hot meal all in one visit.

"Showers of Grace" comes as Home @ Walker works toward a long-term goal: providing shower and laundry facilities, alongside job training, food, and clothing

resources, so the church can serve as an ongoing resource center for the community..

"We are meeting God's standard for the church in our city," said Reverend Ademuyiwa T. Bamiduro, Senior Pastor of Walker Memorial Baptist Church. "Every person who walks through these doors deserves to be treated with dignity, not just charity. The need is here now, and so are we. This is what discipleship looks like: meeting people where they are and loving them the way Christ loves us."

"Showers of Grace" is one expression of 135 Acts of Kindness & Discipleship, in celebration of their 135-year anniversary, a church-wide initiative focused on transforming communities through acts of kindness, service and discipleship. More information on the initiative is available at wmbcdc.org/135acts.
