

OnlinePilatesClasses.com Announces 2026 Cross-Country Summer Studio Tour

This is the ultimate screen-to-studio reunion. Instead of watching OPC from behind your screen, this tour brings their signature teaching directly to you.

LAS VEGAS, NV, UNITED STATES, July 30, 2026 /EINPresswire.com/ -- lassical [Pilates](#) platform

OnlinePilatesClasses.com (OPC) has announced its semi-annual 14-city cross-country road trip, taking place August 5 through August 23, 2026. Led by OPC founder and second-generation Pilates teacher [Lesley Logan](#) alongside CEO Brad Crowell, the tour brings in-person workshops, form adjustments, and classical Pilates education to regional host studios across the United States.

Brad And Lesley OPC Summer Tour 2026

The 2026 tour is presented by title sponsor Balanced Body, an equipment manufacturer and education provider in the Pilates industry, alongside supporting sponsors Crae Home, Pilatay, TAVI / ToeSox, and Vooray.

The upcoming summer tour is designed to bridge online practice with in-person instruction. Participants will attend Mat and Equipment sessions led by Logan, focusing on classical mechanics, alignment, and hands-on technique feedback intended to strengthen individual home routines.

"While our online platform connects us with members globally every day, returning to local studios allows us to deliver direct, hands-on adjustments in person," said Lesley Logan, co-founder of OnlinePilatesClasses.com. "This tour provides practical technique refinements that members can apply to their regular practice throughout the year."

Each tour stop will feature:

Instructional Workshops: In-person Mat and Equipment classes centered on classical Pilates mechanics and tactile form corrections.

Educational Resources: Access to specialized training materials, including OPC's Pilates Flashcards.

Sponsor Activations: Product demonstrations, giveaways, and attendee gear provided by Balanced Body and supporting tour sponsors.
