

Prototek Appoints Madan Mathevan as Chief Executive Officer

Prototek, a leading national provider of advanced on-demand manufacturing services, is pleased to announce the appointment of Madan Mathevan as CEO.

CONTOOCOOK, NH, UNITED STATES, August 3, 2026 /EINPresswire.com/ -- Mathevan brings more than 20 years of leadership experience in precision manufacturing, with a career spanning aerospace, defense, medical, industrial, and other advanced manufacturing markets. Prior to joining Prototek, he served as President of the Fastener Division at MW Components, where he led a multi-site organization focused on strategic growth, operational excellence, and commercial performance. He previously held leadership roles as Vice President of the Fastener Division at MW Components and General Manager of Sussex Wire.

As Chief Executive Officer, Mathevan will lead Prototek's continued growth and strategic direction, building on the company's reputation for engineering expertise, manufacturing excellence, and customer-focused solutions. His experience leading complex manufacturing organizations, integrating multi-site operations, and developing high-performing teams will support Prototek's ongoing commitment to delivering innovative manufacturing solutions and exceptional service to its customers.

"Prototek has a strong foundation — deep manufacturing expertise and a talented, experienced team. The company has earned a reputation for combining engineering expertise with advanced
