

Zima Automotive Joins the Automotive Management Network to Sharpen Shop Operations

Springfield's Zima Automotive joins the Automotive Management Network, gaining shop-management resources and benchmarks to refine operations and service.

SPRINGFIELD, OH, UNITED STATES, July 29, 2026 /EINPresswire.com/ -- [Zima Automotive](#) Joins the Automotive Management Network to Sharpen Shop Operations

SPRINGFIELD, OH - July 2026 - Zima Automotive is a family-owned, full-service auto repair shop serving Springfield and nearby communities. The shop has joined the Automotive Management Network, an online community of more than 15,000 auto repair shop owners focused on

“

Membership keeps us plugged into what's working across the industry, so we can keep our processes sharp and our service honest for every customer.”

Max Zima, Owner, Zima Automotive

building smoother, more profitable operations.

Membership gives the shop's leadership access to a broad library of management resources. These include standardized operating procedures, checklists, management articles, key performance benchmarks, and current labor-rate data from across the country. For customers, that behind-the-counter rigor tends to show up in the details that matter most: clearer estimates, consistent processes, and a steadier experience from drop-off to pickup.

The step reinforces a service model the shop has refined

since opening in 2014. The team services domestic, Asian, and European vehicles. [European auto repair](#) is one of its strongest areas, including work on BMW, Audi, and Mercedes-Benz.

Customers are supported throughout each visit by digital vehicle inspections, free loaner vehicles, financing options, and a three-year/36,000-mile warranty.

That focus on doing the job right has earned recognition close to home, including CARFAX Top-Rated Repair Facility acknowledgment for three consecutive years. Convenience is also part of

the experience. Early drop-off, after-hours pickup, online scheduling, same-day service, and shuttle or loaner support help customers stay on the road.

A Message From the Owner

"Membership keeps us plugged into what's working across the industry, so we can keep our processes sharp and our service honest for every customer. We've always wanted to be the shop people trust, and having the right resources behind us makes that easier to deliver day in and day out." said Max Zima, owner of Zima Automotive.
