Ready To Roll Garage Doors is a locally owned garage door repair and installation company serving Holly Springs, Fuquay-Varina, Cary, Apex, Raleigh and surrounding Triangle communities.

“

Our veterans, first responders, military members and educators give so much to our communities. This is our way of saying thank you while helping protect their homes for years to come.”
Kyle Rutter, Owner

The initiative recognizes the men and women who dedicate their lives to protecting, serving, and educating others by helping them protect one of the hardest-working systems in their home—the garage door.

"Our communities are stronger because of the people who serve them every day," said Kyle Rutter, Owner of Ready To Roll Garage Doors. "Offering our Lifetime Membership at no cost is one small way we can say thank you while helping these homeowners protect an important investment for years to come."

Unlike traditional maintenance plans or monthly subscriptions, the Ready To Roll Lifetime Homeowner Protection Membership is a one-time membership with no monthly fees or annual renewals. Members receive exclusive benefits whenever they need service from Ready To Roll

Garage Doors, creating long-term value while encouraging proactive garage door maintenance.

The complimentary membership is available to:

Active-Duty Military

Veterans

Law Enforcement Officers

Firefighters

EMS & First Responders

Teachers & School Employees

Designed to Protect Homeowners Long After the Initial Service

Garage doors are the largest moving system in most homes, opening and closing thousands of times each year. Over time, springs wear out, rollers deteriorate, cables stretch, and garage door openers require adjustments or replacement. Regular maintenance helps improve safety, reduce unexpected breakdowns, and extend the life of the entire system.

The Ready To Roll Lifetime Membership was created to help homeowners stay ahead of those issues while rewarding customers who trust the company with their garage door needs.

Membership benefits include:

No service call fees

Exclusive discounts on repairs and replacement parts

Priority scheduling whenever available

Discounted annual garage door tune-ups

Exclusive member promotions

Special financing offers

Transferable membership when moving within Ready To Roll's service area

Ready To Roll Cares is the community giving initiative from Ready To Roll Garage Doors supporting veterans, nonprofits and fundraising organizations across the North Carolina Triangle.

Ready To Roll Garage Doors, garage door company, Chapel Hill NC, Durham NC, Pittsboro NC, local garage door experts, garage door specialists, garage door installation, garage door repair, branded service truck

Annual maintenance reminders so homeowners never have to remember when service is due

For homeowners purchasing a new garage door, the membership also includes a complimentary Garage Door System Tune-Up to help ensure the new system continues operating at its best.

Helping Homeowners Protect Their Investment

While many homeowners don't think about their garage door until it stops working, preventative maintenance can help identify worn components before they lead to larger repairs or emergency service calls.

Rather than waiting for a broken spring, damaged rollers, or a failing garage door opener, Ready To Roll encourages homeowners to keep their garage door system properly maintained through regular inspections and annual tune-ups.

As part of the Lifetime Membership, the company's office proactively contacts members each year to schedule their discounted maintenance visit, helping protect their investment while giving homeowners one less thing to remember.
