

The Animal Hospital of South Carolina Named 2026 Best of South Carolina Award Winner

PAWLEYS ISLAND, SC, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- The Animal Hospital of South Carolina has been named a 2026 Best of South Carolina Award winner, recognizing the veterinary practice's commitment to advanced medical care, compassionate service, and meaningful involvement in the communities it serves. Based in Pawleys Island and serving Litchfield Beach and surrounding areas, the Animal Hospital of South Carolina provides comprehensive veterinary care for a wide range of animals, including dogs, cats, birds, reptiles, amphibians, and pocket pets.

The award highlights businesses that have earned the trust and support of their communities, and the Animal Hospital of South Carolina has built that reputation through a combination of medical expertise and personal attention. The full-service, 3,600-square-foot facility offers advanced services such as laser surgery, cold laser arthritic treatment, and PRP joint injections, helping pets receive innovative care close to home. At the same time, the practice maintains a philosophy centered on treating every patient with the same care and consideration staff members would want for their own pets.

"We're honored to receive this recognition," said a representative of the Animal Hospital of South Carolina. "Our team works hard every day to provide the highest quality care possible while building lasting relationships with pet owners throughout the community. This award reflects the trust our clients place in us and the dedication of our entire staff."

Beyond the clinic, the Animal Hospital of South Carolina actively supports local rescue organizations, including By the Beach Rescue, Tidal Paws Rescue and All About Animals Rescue. These partnerships help extend veterinary care to animals in need while strengthening the broader animal welfare community.

As the Animal Hospital of South Carolina celebrates this recognition, the team remains focused on continuing to invest in advanced veterinary medicine, supporting local rescue efforts, and providing exceptional care for the animals and families who depend on them. The 2026 Best of South Carolina Award marks an important milestone, but for the Animal Hospital of South Carolina, the mission remains the same: helping pets live healthier, happier lives.
