

REsides, Inc., MLS Without Boundaries Named 2026 Best of South Carolina Award Winner

HILTON HEAD ISLAND, SC, UNITED STATES, August 28, 2026 /EINPresswire.com/ -- REsides, Inc., MLS Without Boundaries has been named a 2026 Best of South Carolina Award Winner, recognizing the company's innovative approach to helping real estate professionals navigate an increasingly connected and data-driven industry. As an independent, borderless Multiple Listing Service, REsides has built a platform designed to give brokers and agents greater flexibility, expanded market access, and tools that support long-term growth.

For more than 15 years, REsides has challenged traditional assumptions about how an MLS should operate. The company was founded on the belief that real estate professionals should have access to high-quality data, modern technology, and meaningful opportunities to grow their businesses beyond geographic boundaries. Today, its platform provides cross-market visibility, advanced data architecture, and dedicated support from personal account managers who help members get the most from the system.

A defining feature of REsides is its equity-centered ownweship model, which gives members the opportunity to benefit from the value they help create. By combining innovation with a member-focused approach, the company has developed a model that reflects the realities of modern real estate while keeping the needs of brokers and agents at the center of every decision.

"We're honored to be recognized as a 2026 Best of South Carolina Award winner," said Colette Stevenson, CEO. "This recognition reflects the trust our members place in us and the dedication of our team. We've always believed real estate professionals deserve more from the platforms they rely on, and we're committed to continuing that work for a modernized real estate industry."

The recognition highlights REsides' continued investment in technology, service, and member success. As the company looks ahead, it remains focused on delivering powerful tools, personal support, and new opportunities that help real estate professionals grow, adapt, and thrive in an evolving marketplace.
