Magnolia Spa Inc. Earns 2026 Best of South Carolina Honorable Mention Award

MOUNT PLEASANT, SC, UNITED STATES, September 11, 2026 /EINPresswire.com/ -- Magnolia Spa Inc., a family-owned wellness spa in Mount Pleasant, has earned a 2026 Best of South Carolina Honorable Mention Award, recognizing the business for its thoughtful approach to massage therapy, skincare, body treatments, and personalized wellness care. Since opening in 2024, Magnolia Spa has become a local retreat for guests seeking more than a quick appointment. It offers a calm, welcoming space where rest, recovery, and self-care are treated as practical parts of everyday health.

Founded by Elizabeth and Joe Engelhart and their daughter April Smith, Magnolia Spa was built around a simple but meaningful idea: “You deserve this!” That philosophy shows up in the way the team tailors each treatment to the person in front of them. The spa offers specialized massage services including relaxation, deep tissue, prenatal, lymphatic, stretch, and TMJ-focused therapies, along with body wraps, scalp massages, customized facials, and advanced treatments such as Glo2Facial technology.

“We wanted Magnolia Spa to feel like a place where people could exhale, be heard, and receive care that actually fits what they need,” said the Magnolia Spa team. “This recognition means so much because it reflects the trust our guests have placed in us and the community we’re proud to serve.”

Magnolia Spa’s 2026 Best of South Carolina Honorable Mention Award highlights the reputation it has built in a short time, supported by positive customer feedback and a growing role as a local sanctuary for healing and relaxation. Looking ahead, the spa remains focused on personalized care, holistic wellness, and creating an experience that feels both elevated and genuinely welcoming.
