

How to Reuse Juice Pulp: 3 Easy Recipes with the Kuvings AUTO10S Slow Juicer

These 3 recipes show how juicing pulp can be transformed into savory snacks, baked desserts, and homemade dog treats.

IL, UNITED STATES, July 31, 2026 /EINPresswire.com/ -- These three recipes show how leftover juicing pulp from the Kuvings [AUTO10S](#) Slow Juicer can be transformed into savory snacks, baked desserts, and homemade dog treats, offering simple ways to reduce food waste in the kitchen.

Fresh juice leaves behind fiber-rich pulp that is often discarded, yet it can still be incorporated into a variety of recipes. As more home cooks embrace zero-waste cooking, repurposing pulp has become an easy way to make fuller use of fruits and vegetables while adding texture to everyday meals and snacks.
