

Pre-Orders Open August 13: Predator: Badlands Dek & Thia Statue

Prime 1 Studio announces a new statue: Predator: Badlands Dek & Thia. Pre-orders August 13, 2026 (JST).

ASAKUSA, TAITO-KU, TOKYO, JAPAN, August 13, 2026 /EINPresswire.com/ -- Prime 1 Studio is pleased to announce the upcoming pre-order of Dek & Thia from "Predator: Badlands," joining the Real Elite Masterline series.

Based on the latest chapter in the Predator franchise, this 1/3 scale statue depicts Dek and Thia, the two central characters from Predator: Badlands. The piece captures the unlikely partners as they face the challenges of the most dangerous planet in the universe.

Dek's appearance is recreated through detailed sculpting and paintwork that draw on Prime 1 Studio's experience in creating Predator statues. LED illumination is incorporated into his equipment to enhance the display. Thia is designed with reference to Elle Fanning's performance in the film, while her Weyland-Yutani uniform, exposed internal mechanisms, and other mechanical details have been carefully reproduced.

The themed base is inspired by the wilderness of Genna, complete with
