

Pre-Orders Open August 20: God of War: Ragnarok Atreus Statue

Prime 1 Studio announces a new statue: God of War: Ragnarok Atreus. Pre-orders August 20, 2026 (JST).

ASAKUSA, TAITO-KU, TOKYO, JAPAN, August 20, 2026 /EINPresswire.com/ -- Prime 1 Studio is pleased to announce the upcoming pre-order of Atreus from "God of War Ragnarok," joining the Real Elite Masterline series as a 1/3 scale statue.

The statue depicts the young demigod as he searches for his identity across the Nine Realms. His upward gaze and pose are inspired by Faye's wish that he choose his own path, while his youthful portrait, sculpted scars, weathered costume, and detailed fur textures have all been carefully recreated.

Two beasts stand beside Atreus, representing his shapeshifting abilities. The bear and the wolf have also been incorporated into the display as symbolic elements inspired by Kratos and Atreus, reinforcing the bond between father and son.

Display options include swappable heads and arms, allowing Atreus to be posed with different expressions, weapons, and Hati's Marble. A head stand is also included for displaying the alternate portrait.

The DX Bonus Version also includes the mysterious mask sought by Odin, providing an additional display piece inspired by one of the game's key story elements.
